

Job Description

About Us:

IMSOLUTIONS, LLC (IMS) specializes in providing management and cost analysis support to government and commercial agencies. Our consultants have extensive experience working with the Department of Defense (DoD), Department of Treasury, USAID and other federal agencies. We have supported projects ranging from the acquisition of major weapon systems to the re-engineering of organizational operations. IMS has experience with working effectively at all levels of the organizational team including Integrated Product Teams (IPT).

Our Mission is to establish a flexible, best value, solution oriented organization which provides quality and innovation management support services that will result in value added solutions and satisfied customers.
